All about the location

Located on the inside of a dead-end street, inside Trento Avenue, in a residential neighborhood substantially devoid of traffic and for that reason very quiet.

The Bacchiglione River lies at the end of the street, making the landscape particularly pleasant and relaxing to enjoy even from the apartment's overlooks.

The city center can be reached either on foot or by bicycle, thanks to the safe bicycle and pedestrian path that in a few hundred meters reaches Porta Santa Croce, the first access to Vicenza's historic walls, and Corso Fogazzaro the beginning of the pedestrian area of the historic center.

In the immediate vicinity, supermarkets, schools of all levels, and all the main services of the city of Vicenza.
The area has always been particularly safe, thanks also to the relative proximity of the city's Police Headquarters.

The new Del Din American barracks is only 5 minutes away by car, which can also be easily reached during the summer season by bicycle, via the safe and pleasant internal bicycle path.
Ederle Barracks is about 10 minutes away by car. American bus with possibility of stopping on the main street 2 minutes walk from the dwelling.

Likewise, this solution is also very suitable for those who have to move often for work reasons, being just a few minutes from the beginning of the city's western ring road, which leads quickly to the Vicenza Ovest tollgate and its industrial area.
