Une première impression

Born from an architectural dialogue between light, geometry, and serenity, Luméa is not defined by square meters but by atmosphere , by flow, by light, by quiet sophistication.

The entrance opens into a seamless living, dining, and kitchen area, where space and light breathe together. Expansive glass openings invite the daylight inside, guiding the gaze toward the private pool — where water mirrors the sky and tranquility becomes tangible.

Luméa exists in perfect balance: clean lines, natural materials, soft tones, and a refined harmony in every detail.

Its three bedrooms are conceived as private sanctuaries, calm, airy, and luminous. Their proportions inspire comfort without excess, while subtle design elements express understated luxury: integrated wardrobes, tactile surfaces, and light that glides gently through the rooms.Two elegant bathrooms, crafted with fine materials and contemporary design, complete the rhythm of daily living — graceful, effortless, serene.

At the heart of the residence, an inner courtyard becomes a silent breath — a private garden where air and light circulate freely, infusing the home with the essence of calm sophistication.

And beyond, the shimmering pool extends the living experience outdoors, becoming a serene reflection of sky and soul — a space where the day dissolves into stillness, and luxury reveals its most subtle form.

Luméa is not merely a residence. It is an experience of light, a hymn to serenity, a contemporary poem of living , where architecture, nature, and beauty exist in perfect harmony.
