Une première impression

In the heart of Elounda, one of Greece's most sought-after tourist destinations, an exceptional seafront plot is available for sale, offering 6,412 sq.m. of buildable area, just 200 meters from the sea.
The location provides panoramic views of Spinalonga and combines unique natural beauty with strong touristic appeal. Constant international demand ensures the long-term viability of any development project.
The property is ideally suited for the development of a luxury hotel, high-end resort, or premium holiday residences. The scarcity of available land in the area further enhances the potential for capital appreciation and strong investment returns.
This is a truly strategic investment opportunity in one of the Mediterranean's most prestigious destinations.
