Experience a rare and stately apartment in the heart of Kolonaki with Arete, located on the iconic Kolonaki Square — a unique 216 sqm property on the fifth floor of a well-maintained, high-quality building constructed in 1956. The apartment exudes timeless elegance, featuring classic Athenian architectural elements, solid construction, generous spaces, and abundant natural light. It offers four spacious bedrooms, two full bathrooms, and two additional WCs, a separate living room and dining area, a distinct kitchen, and ample storage. Aluminum frames and large balconies provide tranquility, brightness, and privacy, while the well-balanced layout ensures comfort and functionality for family, professional, or diplomatic use.

Kolonaki is Athens' most sophisticated and consistently sought-after neighborhood, renowned for its cosmopolitan character and lively atmosphere throughout the day. The area combines boutique shopping, fine-dining restaurants, art galleries, and stylish cafés, while its proximity to the city center and Mount Lycabettus provides easy access to major urban points, walking paths, and scenic leisure spots. With a mix of neoclassical buildings, modern residences, and narrow tree-lined streets, Kolonaki blends urban comfort with discreet luxury, offering a high quality of life and safety — ideal for both permanent residence and investment opportunities.
