The Maréva apartment, located in one of the most authentic and charming corners of Aegina, is a newly built ground-floor residence of 54 sq.m., constructed in 2025, perfectly blending modern design with the quintessential island lifestyle.

It features 1 comfortable bedroom and an open-plan kitchen with living area, creating a bright and functional space for everyday living. The apartment offers autonomous heating, thermally insulated aluminum frames, high-quality tiled floors, security door, window screens, and two private parking spaces, while being surrounded by a garden and providing access to a stylish shared pool. Enjoy panoramic and unobstructed sea views, abundant natural light, and a breezy, fully open layout that offers a true sense of freedom.

Just steps from the beach and with regular daily ferry connections to Piraeus year-round, Maréva allows easy and frequent getaways—even for a short weekend—letting you soak up the sun and the sea on many days of the year. It is an ideal choice for both Greek and international buyers seeking a secure investment or a private summer retreat, only about an hour from Athens and the international airport. Aegina Island is renowned for its rich history, charming traditional villages, and stunning beaches. Famous for its pistachios and vibrant local culture, Aegina combines natural beauty with cultural heritage, making it a highly sought-after destination for both relaxation and exploration.
