Seascape | Build Your Dream Above the Aegean

Seascape is a rare opportunity to acquire a prime plot in Koundouros, the most prestigious and sought-after area of Kea, one of the Cyclades' most exclusive island destinations. Set just 250 meters from a stunning sandy beach and surrounded by a dreamlike Aegean landscape of traditional windmills, natural stone terraces and crystal-clear waters, the property enjoys a privileged southwest orientation with spectacular sunset views.

What makes Seascape truly exceptional is the valid building permit already in place for the construction of a luxurious 450 sq.m. villa with swimming pool, allowing the new owner to immediately bring to life a landmark island residence without the delays and uncertainty of the permitting process. Combining proximity to the sea, breathtaking natural beauty, architectural potential and the exclusivity of Koundouros, Seascape offers a unique opportunity to create an outstanding private retreat or a high-end investment property in one of the most desirable locations in the Aegean.

Kea, also known as Tzia, is the perfect destination for those seeking luxury living, blending natural beauty, tranquility, and absolute privacy. Charming coves, lush landscapes, and clear waters provide unique experiences, while opportunities for sailing or private yachts offer exclusive sea adventures. With rich history, cultural events, and high-quality gastronomy, Kea combines authenticity with refinement, while its proximity to Athens — just a short ferry ride away — ensures easy access for permanent or seasonal high-end living.
