Vestige — Own a Piece of History

Located in the heart of Plaka, one of Athens' most iconic and authentic neighborhoods, Vestige is an elegant corner neoclassical building that embodies architectural heritage, refined urban living, and outstanding investment potential. Extending across a total surface of 325 sq.m. and arranged over three levels, the property offers exceptional flexibility of use, seamlessly combining residential and commercial elements. The first floor features a bright and spacious 115 sq.m. residence, distinguished by impressive ceiling heights, ornate ceiling details, abundant natural light, and a balcony overlooking the historic cityscape. On the second floor, Vestige includes an independent 28 sq.m. studio, complete with living area, bedroom, and bathroom, enjoying direct access to a private terrace with unobstructed views of the Acropolis rock—a truly rare and highly valuable attribute. The ground floor comprises an independent commercial space of 88 sq.m. with a 24 sq.m. mezzanine, while the lower level offers an additional 70 sq.m. space, also with a separate entrance and commercial use. Carefully preserved and rich in character, Vestige is not merely a property, but a prestigious investment asset, set within one of Athens' most enduring and culturally significant locations.

Beneath the shadow of the Parthenon, a landmark attracting millions of visitors from around the world, Plaka reveals a unique atmosphere where history and life intertwine. Its picturesque streets, stone pathways, and neoclassical buildings create an irresistible setting, giving the sense that every step brings you closer to the soul of ancient Athens.
