A first impression

In one of the most privileged seaside locations of Antiparos, in Agios Georgios, Soleado Zenith offers a unique combination of privacy, elegance, and direct connection to the Aegean Sea.

With a total area of 74 sq.m., the residence is developed on two levels. It features a bright living and dining area, a fully equipped kitchen, 2 bedrooms, and a bathroom, all designed with direct access to the outdoor spaces and an easy indoor-outdoor flow. Outdoors, Soleado Zenith offers a private setting dedicated to relaxation at the rear side of the plot, overlooking lush greenery. The possibility for a 12.5 sq.m. water element serves as a refreshing focal point, while the surrounding garden and shaded seating area under the pergola create a calm and inviting atmosphere, ideal for unwinding in complete privacy.

The villa is part of a carefully designed complex of just six residencies,, ensuring a high level of privacy while maintaining a subtle sense of community. Located literally right by the sea, Soleado Zenith offers direct access to the water and breathtaking sunsets. The area of Agios Georgios is renowned for its natural beauty, crystal-clear waters, and easy access to some of the island's most beautiful beaches, while it is only a 15-minute drive from the main town (Chora) of Antiparos.

The construction of the complex is currently underway and is expected to be completed in July 2026, offering an excellent opportunity to acquire a brand-new residence in one of Greece's most sought-after destinations. Antiparos has evolved into a point of reference for an international, high-end audience seeking privacy and understated luxury, further enhancing the investment value of the property More than just a residence, Soleado Zenith is a serene garden retreat—where architecture and landscape blend harmoniously to create a sense of privacy and ease.
