A first impression

Ideally located in a prime area of Glyfada, within walking distance of the vibrant commercial center, this bright 114 sq.m. floor-through apartment is situated in a residential building constructed in 1994. The property offers generous living spaces and comprises 3 bedrooms, 1 bathroom and 1 guest WC. One of its standout features is the spacious wraparound balconies, offering pleasant green views, a wonderful sense of openness and abundant natural light throughout the apartment. Its privileged location provides easy access to Glyfada's shopping district, restaurants, cafés and everyday amenities, combining the convenience of a central setting with a pleasant residential atmosphere. The property also includes a storage room but does not offer a private parking space. An excellent choice for those seeking a spacious and exceptionally bright residence with generous outdoor areas in the heart of Glyfada.
