A first impression

Nestled within an exclusive collection of five premium residences in Voula, Gardenia is an elegant 134 sqm maisonette, extending across the basement, ground floor and an internal loft, offering an intimate and sophisticated living experience, just a five-minute walk from Voula's seafront and beaches.

Designed by the acclaimed 314 Architecture Studio, Gardenia embodies a distinctive architectural philosophy, where sculptural curves, clean contemporary lines and thoughtfully designed spaces create an atmosphere of understated luxury.

Featuring two comfortable bedrooms, two bathrooms and a guest WC, the maisonette offers a harmonious balance of style, functionality and privacy, ideally suited to those seeking a refined coastal home.

The living areas embrace an open and airy character, with generous glazing inviting natural light indoors and establishing a seamless connection with the private outdoor surroundings.

An exclusive 72 sqm garden with an 8 sqm private swimming pool creates a peaceful retreat, ideal for outdoor dining, relaxation and enjoying the Mediterranean climate throughout the year.

The property also benefits from an additional 38 sqm of space on the basement level, a separate storage room and one underground parking space, offering valuable flexibility and everyday convenience.

Combining architectural individuality, intimate outdoor living and an enviable location along the Athens Riviera, Gardenia represents a sophisticated expression of modern coastal living.

Expected completion: End of 2026.
