A first impression

Set in one of the most privileged seaside locations of Antiparos, Agios Georgios, the Soleado Sunrise villa offers a refined blend of privacy, comfort, and Cycladic charm, within an exclusive coastal setting.

With a total surface of 97 sqm, the residence unfolds across two levels. The ground floor features a bright living area, a fully equipped kitchen, and two bedrooms—one master bedroom with an en-suite bathroom and one additional bedroom with its own bathroom. The basement level hosts two additional bedrooms, a shared bathroom, a small kitchen, and a cozy sitting area, making it ideal for hosting guests or accommodating extended family in comfort and independence.

Outdoors, Soleado Sunrise invites relaxed island living. A private garden with a shaded pergola and a jacuzzi creates the perfect setting for unwinding, dining, and enjoying warm summer evenings in complete tranquility.
Part of an exclusive complex of just six villas, the property ensures both privacy and a discreet sense of community. While it does not offer direct sea views, it remains just steps away from the waterfront, allowing easy access to the crystal-clear waters of the Aegean.

The area of Agios Georgios is celebrated for its natural beauty, charming seaside tavernas, and proximity to some of the island's most stunning beaches. Despite its peaceful ambiance, it is only about a 15-minute drive from Antiparos Chora, where boutique shopping, fine dining, and a vibrant yet understated nightlife await.

Currently under construction and scheduled for completion in July 2026, Soleado Sunrise presents an excellent opportunity to acquire a brand-new residence in one of Greece's most sought-after luxury destinations. Antiparos continues to attract an international clientele drawn to its authenticity, privacy, and effortless elegance. More than just a home, Soleado Dusk is a serene island retreat—designed for those who value comfort, discretion, and the timeless beauty of Cycladic living.
