A first impression

Beautiful project to build a large luxury villa with swimming pool in one of the most privileged areas of Mallorca in Son Vida. The excellent location offers tranquillity, privacy and a high standard of living for its residents. Son Vida, with its famous golf course and spectacular views, is a jewel of an urbanization within walking distance of the center of Palma.
The project provides for approx. 659 m² of living space with approx. 367 m² of terraces and is distributed over three floors including the basement. The first floor houses a large living/dining room with modern kitchen with pantry in an open space, a large bedroom with en-suite bathroom and private dressing room, a wine cellar, a guest toilet and access to the terrace with a magnificent swimming pool of approximately 73 m². On the second floor there are four double bedrooms, two of which have their own dressing room and terrace, four en-suite bathrooms, a practical laundry room and a garage for several vehicles. In the basement there is a double bedroom with en-suite bathroom and dressing room, a SPA room, a sauna, an indoor pool, a fitness room, a cinema room, a guest WC, a laundry room, a machine room and a storage room. All floors offer magnificent views of the sea and infinity. Outside, around the house, there is a beautiful green garden with a variety of plants. The price includes the preliminary project designed by a well-known architect and the building plot, although further building and planning work is not included in the price. The connection to the sewage system is already in place and the building permit can therefore be applied for at the building authority. A true jewel of the Mediterranean! Don't miss this great opportunity!
