A first impression

Fantastic project to build a large luxury villa with swimming pool in an exclusive area of Mallorca in Son Vida. The excellent location offers tranquillity, privacy and a high standard of living for its residents. Son Vida, with its famous golf course and spectacular views, is a jewel of an urbanization within walking distance of the center of Palma.
The project offers a constructed area of approx. 1,091 m² distributed over three floors including the basement. On the first floor there is a large living/dining room with a modern open-plan kitchen and pantry, a double bedroom with en-suite bathroom and dressing room, a laundry room and a guest WC. From the living room there is access to the large, partially covered terrace with barbecue area and dining table, a comfortable outdoor toilet and a magnificent infinity pool of approx. 118 m². On the second floor there are four double bedrooms, two of which have their own dressing room and terrace, four en-suite bathrooms, a guest toilet, a living room and, outside, a garage for several vehicles and a parking space. In the basement there is a huge bedroom of approx. 52 m² with its own bathroom and dressing room, a SPA room, an indoor pool, a fitness room, a cinema room, a guest toilet, a laundry room, a machine room and a storage room. The house will offer magnificent views of the sea and the surrounding area. Outside, around the house, there is a beautiful green garden with a variety of plants. The price includes the preliminary project designed by a well-known architect and the building plot, but further building and planning work is not included in the price. The connection to the sewage system is already in place and the building permit can therefore be applied for at the building authority. A true jewel of the Mediterranean! Don't miss this great opportunity!
