All about the location

Very good location, well connected and in a very quiet area of Sant Llorenç des Cardassar. Nearby is the Manacor-Artá Greenway, an old railroad line that connected the eastern end of Mallorca through a route of traditional landscape. It passes through the old stations of Sant Llorenç des Cardassar, Son Carrío and Son Servera. In its central part it runs very close to the coast and offers magnificent views of the sea and in Son Servera it connects with the cycle path that leads to the beaches of Levante.
