A first impression

Beautiful plot with construction project and licence only two steps away from the famous Playa de Muro, Alcudia. Fabulous location in a residential area, enjoying the privilege of being close to the white sand and turquoise water. At the same time close to the centre with all public services and amenities.

The project foresees the construction of a detached villa on two floors. Upon entering we find a bright open space housing the kitchen and living-dining room with access to the outdoor terrace, a generously sized suite with private bathroom and a comfortable and functional utility room. Going upstairs on the first floor we will find the hallway with access to the terrace, a complete bathroom and two good sized bedrooms with access to a large terrace of about 25m2. Outside there will be a beautiful green garden and solarium area, perfect to spend sunny summer days. And all this practically in front of the beach!
