A first impression

This building plot with a project to build a finca with pool is located in the rural area of Santa Margalida. The plot is only about 1.5 km from the center of the village and about 8 km from the beautiful beach of Playa de Muro, with its crystal clear waters.
The project envisages a property of approx. 336 m² constructed area. There will be 4 bedrooms, 2 bathrooms, one of them en-suite, 1 guest toilet, a large, open kitchen with the living-dining room, a laundry room and a room for the building services. Outside there are several terraces to linger and a spectacular pool of approx. 28 m². A beautiful green garden with a variety of plants and open views can complete this beautiful property. Another highlight are the already existing vines, which provide a rich yield. Please contact us for further details.
