A first impression

Great investment opportunity! For sale is an excellent plot in first sea line in Puerto de Alcudia. The plot is located on the harbor promenade directly in front of the marina. A four-storey building can be constructed on the plot.

The first floor is ideal for a large commercial space (e.g. restaurant or store) and on the upper floors luxury apartments with direct views of the sea, the harbor and the entire bay of Alcudia can be built. The apartments could be over 140m2 each, with several bedrooms and bathrooms, living room, kitchen, pantry, laundry room and terrace with spectacular views. The excellent location of this property allows its future residents quick and easy access to all the necessary services and attractions, without the need to use the vehicle.
