A first impression

These six terraced houses, which have just been completed and embody the typical Mallorcan style, are being built on one of the last available plots in Fornalutx, in the Orange Valley. They are located just a few minutes' walk from the village center and close to the famous Soller. The living areas of the individual houses are between 170 m² and 265 m², and each house has its own garden area and parking space. Some of the houses even have their own pool, providing additional comfort and relaxation. Each of the houses has 3 bedrooms, 3 bathrooms, a guest toilet, a spacious living area, a dining area and a fully equipped kitchen. Only high-quality materials are used in the construction, such as windows made of iroko wood and large-format Mallorcan natural stone tiles.
Naturally, there is air conditioning, LED lighting, underfloor heating and a garden area. For further information or a viewing, please do not hesitate to contact us.
