A first impression

Fabulous property in an exclusive residential complex in Capdepera, set in a unique natural environment just 150 metres from Canyamel beach. This privileged location, surrounded by Mediterranean vegetation and protected wildlife, offers a peaceful lifestyle in perfect harmony with Mallorca's nature.

The residential complex is made up of two modern buildings with a total of 14 apartments featuring 2 or 3 bedrooms and 1, 2 or 3 bathrooms. There are various types available: ground-floor apartments with gardens, penthouses with terraces, and duplex units also with terraces – all designed in a modern style that reflects today's Mediterranean way of life.

The apartments are southeast-facing, ensuring excellent natural light throughout the day. The interior spaces blend seamlessly with the outdoors thanks to large windows and glass doors, creating open, bright spaces with views of the surrounding natural landscape.

Each apartment includes a parking space (either above ground or underground), a communal bicycle storage area, and access to complete shared facilities, including a swimming pool, terrace, and landscaped gardens. Everything has been designed for year-round enjoyment of the outdoors. A place created to fully experience Mallorca's climate and scenery.

Completion is scheduled for April 15, 2027.
