A first impression

Discover a new residential development in the heart of Adeje, where contemporary architecture meets the comfort of modern living. Comprising 55 apartments the project offers a range of homes designed to suit different lifestyles, in one of southern Tenerife's established residential areas.
The buildings feature clean lines, balanced façades and large exterior openings that maximise natural light and connect the interiors with the terraces. With apartments ranging from one to four bedrooms, the development offers a variety of options for permanent living, a second home or investment.
The prices for one-bedroom apartments vary depending on size, layout and location within the community.
Whether you are looking for a new home or an investment opportunity, this development offers a range of possibilities in Adeje. Contact us for further information about the available apartments, layouts and current prices.

All about the location

Surrounded by a beautiful mountain landscape, Adeje is a nice village just above the touristic areas from the south of Tenerife. Located on the nature reserve of the famous Barranco del Infierno, which is one of the most famous hiking routes in Tenerife, the small village offers everything you need in everyday life. The center offers an attractive outlet mall "El Galeón", lots of shops, restaurants, cafes, schools, as well as sports clubs and markets. Adeje is a charming and dreamy place with many, small, narrow streets, where you can find the typical canarian architecture and experience the canarian flair. It is only ten minutes away by car from the sandy beach Playa del Duque, the tourist centers of Playa de las Américas and Los Cristianos. Internationally known golf courses are nearby. The good bus connection from Adeje is ideal for those who prefer to use public transport. Reina Sofia International Airport is around 15 minutes away by car.
