All about the location

Welcome to Llubi, a hidden gem in the heart of Mallorca! This charming village, close to Inca, embodies the essence of authentic island life and offers a peaceful retreat surrounded by picturesque countryside. The idyllic surroundings of Llubi are characterized by rolling hills, lush olive groves and vineyards, creating a tranquil atmosphere that invites both relaxation and exploration. Until the beginning of the 19th century, Llubí was a small village that belonged to the neighboring municipality of Muro. In the past, the economy was based on agriculture, with the production of capers standing out. Today, the town is surrounded by fields where almond, carob and fig trees grow. The restaurants, bars and stores of Llubí are scattered throughout the town, especially along the road that crosses it.
Located inland, Llubi offers a refreshing contrast to the bustling coastal resorts and allows visitors to immerse themselves in the rich cultural heritage and natural beauty of the island. Around Llubi, the rural landscape unfolds in all its splendor, offering endless opportunities for outdoor activities such as hiking, cycling and horse riding. The nearby S'Albufera Natural Park, with its diverse ecosystems and rich birdlife, is a must for nature lovers. Llubí is around 38 km from Palma and 17 km from the bay of Alcudia. The town also has a train connection to Palma.
Whether you are looking for a peaceful escape or an authentic Mallorcan experience, Llubi and its surroundings offer a fascinating blend of charm, tranquillity and natural beauty that will enchant you.
