Set in a peaceful setting just minutes from the sea, this elegant village house is located very close to Playa de Muro, one of Mallorca's most sought-after coastal areas. Its south-facing orientation ensures abundant natural light throughout the day, enhancing every space and creating a warm, inviting atmosphere.

The property is distributed over two floors and features three comfortable bedrooms and two stylish bathrooms, one of them en suite. It also offers a spacious, sun-filled living and dining area, as well as a beautiful, modern kitchen designed for both functionality and style.

Inside, the home showcases a carefully considered design that blends traditional elements with contemporary lines. Natural materials such as Marés stone and polished concrete floors add character and authenticity, while the bespoke kitchen in an elegant olive-green tone introduces a refined modern touch.

The outdoor area has been designed as a true space for relaxation and enjoyment. A sunny terrace and private garden surround an exotic-style swimming pool with a cascading water feature, creating a peaceful and intimate setting ideal for unwinding or entertaining.

The house is equipped with modern solutions focused on comfort and energy efficiency, including central heating powered by a heat pump, connection to the municipal water supply, and an independent water tank. In addition, the property is pre-installed for photovoltaic solar panels and for a fireplace in the ground-floor living area.
