A first impression

Located in the charming historic center of Capdepera, just a few steps from its impressive castle, this exclusive townhouse has been completely renovated with exquisite attention to detail, perfectly combining modern comfort with authentic Mediterranean style. Its characterful architecture and bright, airy spaces create a sophisticated and welcoming atmosphere.

The property is distributed over several levels and harmoniously combines a front house, an inner courtyard, and a rear house, offering a versatile living concept with a high level of privacy. It features three elegant bedrooms, each with an en-suite bathroom, as well as spacious living areas where high-quality materials such as microcement and wooden beams stand out, complemented by large windows that flood the interiors with natural light.

The main floor hosts a refined living room with a wood-burning stove, a modern fully equipped kitchen, and a cozy dining area, all designed in an attractive open-plan layout. A retractable glass سق (ceiling) enhances the natural light and provides direct access to the spectacular rooftop terrace — a true oasis with panoramic views over the surrounding rooftops and the castle, creating a magical atmosphere, especially at night.

In addition, the property offers a second kitchen-dining area in the rear house, perfect for informal gatherings or summer evenings, with direct access to a pleasant terrace. Various outdoor spaces, including an inner courtyard and another more secluded terrace, allow you to enjoy the Mediterranean climate all year round.

A unique home that offers elegance, comfort, and privacy in one of the most charming corners of Mallorca — ideal as a permanent residence or for unforgettable getaways.
