A first impression

In the heart of Budapest, in a historic setting, offering modern luxury, the renovated palace of Kodály körönd is an exceptional investment.

The newly designed apartments are located on one of the most impressive and well-known stretches of Andrassy Avenue. The square's four neo-Renaissance palaces and beautiful green belt surroundings make it one of the city's architectural masterpieces. Kodály körönd is a World Heritage Site because of its cultural and historical significance, making it a prime investment location.

The palace was restored to its original state after a fire in 2014, preserving its 19th century neo-renaissance elegance and decoration. The renovated building features new apartments, luxurious interiors and exclusive services. The inner courtyards have English gardens and Renaissance courtyards, providing a pleasant green environment.

The apartments are located on the 4th, 5th and 6th floors of the building, accessible by lift. Typically duplex apartments, several of which have balconies or terraces.

A few more furnished apartments are available in the palace.
