A first impression

In the heart of Budapest, in a historic setting, offering modern luxury, the renovated palace of Kodály körönd is an exceptional investment.

The newly designed apartments are located on one of the most impressive and well-known stretches of Andrassy Avenue. The square's four neo-Renaissance palaces and beautiful green belt surroundings make it one of the city's architectural masterpieces. Kodály körönd is a World Heritage Site because of its cultural and historical significance, making it a prime investment location.

The palace has been restored to its original state, preserving its 19th century neo-renaissance elegance and decoration. The renovated building features new apartments, luxurious interiors and exclusive services. Its inner courtyards have English gardens and Renaissance courtyards, providing a pleasant green environment.

The palace has 25 apartments on the 4th floor, which are typically duplex apartments, several of which have roof terraces.

A few more furnished apartments are available. The price of the apartments includes furniture.
