For sale new build, 2 bedroom 1st floor apartment with private terrace - in a waterfront residential complex, Siofok Ezüstpart- Balaton

In one of the most popular, quiet and quiet waterfront areas of Siofok's Ezüstpart, we offer for sale a newly built 1st floor apartment in a well-designed premium residential complex, built directly next to the Balaton beach.

The buildings are positioned perpendicular to Lake Balaton, so most of the apartments have a panoramic view of the lake. The apartments are designed with thoughtful layouts, bright spaces and well-utilised living areas. The advertisement includes visual plans for inspiration. The garden has direct access to the shore of Lake Balaton.

One of the practical apartments in the offer has a gross floor area of 61 m² and a net floor area of 58.11 m².

The property comprises a spacious entrance hall, a living-dining room with American kitchen, two bedrooms, a spacious bathroom with two sinks, shower and toilet, a separate guest toilet with hand wash basin and a practical utility room.

The apartment has a private balcony of 14.67 m², which pleasantly extends the living space of the apartment, providing an ideal location for morning coffee, family meals or summer relaxation.

The project is equipped with state-of-the-art technical solutions: an energy-efficient heat-pump cooling and heating system, 3-layer windows and doors, OTIS lift, and a smart smart home system for comfort and energy efficiency. A phone app allows the owner to control the home's cooling, heating and lighting remotely.

The interior finishes and some design elements can be selected up to a certain stage of construction, so that the apartment can be adapted to the taste of the future owner.

The apartments in the complex are primarily designed for discerning buyers who want a quality holiday home for their family on the shores of Lake Balaton, but also want to consider the property as a value-proof investment.
