A first impression

In one of the most popular green belt areas of the 2nd district, in Rézmál, we offer for sale exclusive homes in a condominium building with only 8 apartments and a lift.

The 104 m² apartment on the ground floor has been designed with an American kitchen-living room, three bedrooms and two bathrooms. The apartment is connected to pleasant terraces of 9 and 10 m2 with direct access to the garden, providing an ideal space for relaxation and daily recharging.

Thanks to its central location, the property is an excellent choice for both owner-occupation and investment. The infrastructure of the area is outstanding: the Mammut shopping centre, the market of Fény Street, several schools, kindergartens and health institutions, as well as the main public transport hubs (metro 2, tram and bus lines) are quickly and conveniently accessible.
The nearby Millenáris Park, Városmajor and Marcibányi Square offer excellent opportunities for recreation, sports and leisure activities.

Find the home of your dreams in a modern, new-build condominium that meets all your needs!
