A first impression

In one of the most popular green belt areas of the 2nd district, in Rézmál, we offer for sale exclusive homes in a condominium building with only 8 apartments and a lift.

Located on the third floor, the 91m² apartment with panoramic views will feature an American kitchen-living room, three bedrooms and two bathrooms. The apartment is connected to a 10.5 m2 terrace with a pleasant panoramic view, which provides an ideal space for relaxation and daily recharging.
The interior is fully adapted to the needs of the future owner. In addition to the main walls and plumbing, the layout of the rooms, windows, doors, tiling, sanitary ware, mechanical and electrical installations can be freely adapted to reflect the individual's lifestyle and ideas. The architect will provide personal consultations to help design the ideal home and, if required, will also provide the services of a professional interior designer to ensure the perfect result.

Thanks to its central location, the property is an excellent choice for both owner-occupation and investment. The infrastructure of the area is outstanding: the Mammut shopping centre, the Fény utca market, numerous schools, kindergartens and health institutions, as well as the main public transport hubs (metro line 2, tram and bus lines) are quickly and conveniently accessible.
The nearby Millenáris Park, Városmajor and Marcibányi Square offer excellent opportunities for recreation, sports and leisure activities.

Find the home of your dreams in a modern, new-build condominium that meets all your needs!
