Corvin Campus – Modern Studio Apartment with a View of the Inner Courtyard

We are offering for sale a 31.64 m² west-facing studio apartment on the 7th floor of the Corvin Campus by Cordia project, overlooking the inner courtyard and featuring a 3.06 m² balcony. Thanks to its compact, well-designed floor plan, it is an ideal choice as a first home, an urban pied-à-terre, or a long-term investment.

The inner courtyard orientation ensures a peaceful living environment, while the west-facing location allows the apartment to enjoy pleasant natural light in the afternoon and evening hours. The balcony offers a cozy outdoor space for morning coffee or a quiet evening of relaxation.

Corvin Campus is located in one of Budapest's most dynamically developing neighborhoods, right next to Corvin Promenade. Excellent transportation links and the proximity to universities, office buildings, restaurants, and shopping options ensure an outstanding quality of life and a long-term, value-retaining investment opportunity.

The project features state-of-the-art technical specifications. The apartments will be equipped with ceiling-mounted heating and cooling systems, modern energy-efficient mechanical systems, electric window shades, and premium flooring and bathroom fixtures. Residents' comfort is enhanced by a rooftop terrace with panoramic views, elegant communal spaces, bicycle storage, and an underground parking garage.

Corvin Campus is the ideal choice for those seeking a modern, low-maintenance home or a property with excellent rental potential in one of Budapest's most sought-after neighborhoods.
