Corvin Campus – A Modern Home with a View of a Quiet Inner Courtyard

We are offering for sale a 48.47 m² west-facing apartment on the 3rd floor of the Corvin Campus by Cordia project, overlooking the inner courtyard. The apartment features an open-concept living room with a kitchen, one bedroom, a bathroom, and a 2.73 m² balcony, providing a comfortable living space.

Thanks to its well-thought-out floor plan, the apartment is bright, easy to furnish, and offers excellent usability. The west-facing orientation provides pleasant natural light in the afternoons, while the inner-courtyard location creates a peaceful, quiet living environment right in the heart of the city. The balcony offers the perfect spot for relaxation or a leisurely morning coffee.

Corvin Campus is being developed in one of Budapest's most dynamically growing neighborhoods, right next to Corvin Promenade. Excellent transportation links and the proximity to universities, office buildings, restaurants, and shopping options make the project an ideal choice for both a home and a long-term investment.

The project features high-end technical specifications. The apartments are equipped with ceiling-mounted heating and cooling systems, state-of-the-art energy-efficient mechanical systems, electric window shades, and premium flooring and bathroom fixtures. Residents' comfort is enhanced by a rooftop terrace with panoramic views, elegant communal spaces, bicycle storage, and an underground parking garage.

Corvin Campus is an excellent choice for those seeking a modern home with high-quality technical specifications or a sound investment in one of Budapest's most sought-after neighborhoods.
