Corvin Campus – Spacious, three-bedroom home with a view of Psota Square

We are offering for sale a 59.30 m² west-facing, 3-bedroom apartment on the 5th floor of the Corvin Campus by Cordia project, featuring an 8.63 m² balcony. In addition to the open-concept living room with an open kitchen, two separate bedrooms, a bathroom, and a separate toilet provide a comfortable, well-organized living space. The apartment overlooks Psota Square, offering a bright, open view and a pleasant urban setting.

The practical floor plan is an ideal choice for couples, small families, or those who would like to set up a home office. The direct connection between the living room and the balcony further enhances the apartment's livability, while its west-facing orientation allows natural light to flood the interior during the afternoon hours.

Corvin Campus is being developed in one of Budapest's most dynamically growing neighborhoods, right next to Corvin Promenade. Excellent transportation links and the proximity of universities, office buildings, restaurants, and shopping options make the project an ideal choice for both a primary residence and a long-term investment.

The project features state-of-the-art technical specifications. The apartments will be equipped with a ceiling-mounted heating and cooling system, modern energy-efficient mechanical systems, electric blinds, and premium flooring and bathroom fixtures. Residents' comfort is enhanced by a rooftop terrace with panoramic views, elegant communal spaces, bicycle storage, and an underground parking garage.

Corvin Campus is the ideal choice for those seeking a modern, technically advanced home or a sound investment in one of Budapest's most sought-after neighborhoods.
