A first impression

We are offering for sale a unique 216 m² corner residence on one of the top floors of INFINITY, featuring a 74 m² terrace and stunning panoramic views of the Danube and the city.

Through the expansive glass surfaces, the view of Budapest virtually envelops the apartment: the panorama of the Danube, Buda Castle, and the Chain Bridge becomes a defining feature of the interior spaces.

216 m² living space | 74 m² panoramic terrace | 2 garage spaces | fully furnished | panoramic views of the Danube and the city

The entire interior was designed based on a unique architectural concept, featuring premium materials, designer lighting, custom built-in elements, and elegant furniture. The property is being sold fully furnished and move-in ready.

Created by combining the two original apartments, this home offers spacious living and dining areas, as well as multiple bedrooms and bathrooms. Thanks to its layout, it can be used either as a single prestigious luxury residence or as two completely separate residential units, each legally registered as a separate sub-unit.

For residents of INFINITY, 24-hour concierge service, a fitness and wellness center, the Sky Bar, and a panoramic infinity pool ensure exceptional comfort.
