INFINITY Budapest – Exclusive residence with panoramic views overlooking the Danube

We are offering one of Budapest's most exceptional premium rental properties on the top floor of INFINITY Budapest: a fully furnished corner residence of approximately 170 m², featuring a large panoramic terrace and a rooftop garden area on the apartment's level.

Thanks to its exceptional location within the building and the large glass surfaces, the views of the Danube, Buda Castle, the Chain Bridge, and the Budapest skyline provide a truly memorable experience from multiple vantage points within the apartment.

The residence's central space is the spacious, open-concept living-dining-kitchen area, which opens directly onto the panoramic terrace. This bright, generous space is equally suited for comfortable everyday living and for entertaining guests in style.

The apartment features three bedrooms. The master bedroom is designed as a private suite, complete with a built-in closet and its own spacious bathroom. A second bathroom serves the other two bedrooms, and the layout is complemented by a guest restroom and a practical entryway.

The interior was designed according to a unified architectural concept, featuring premium materials, custom built-in furniture, designer lighting, and elegant furnishings. The residence is available for rent fully equipped and furnished, making it ready to move into immediately.

A unique feature of the apartment is its large panoramic terrace and rooftop garden, which offer a rare private outdoor living space overlooking Budapest.

INFINITY Budapest offers a modern architectural setting, high-quality services, and a comfortable urban lifestyle, while the residence retains the intimacy of a private home.

Rent: 7,000 EUR/month

Two parking spaces in the garage are available for rent at the residence, each for 150 EUR/month.

An exceptional choice for those seeking one of Budapest's most spectacular panoramic views, spacious rooms, fully furnished accommodations, and a premium urban lifestyle.
