MODERN VILLA WITH PANORAMIC VIEWS FOR RENT – BUDAPEST, 2ND DISTRICT, PÁLVÖLGY

A modern villa with exceptional panoramic views in Budapest's 2nd District, where the tranquility of nature, private living spaces, and the opportunity to host distinguished guests come together—an ideal residence for diplomats, embassy officials, and senior executives of international companies.

A home where the feeling of a vacation lasts all year round. Panoramic terraces, a pool, a private garden, and a natural setting—all in a three-story family villa built in 2023, featuring unbeatable panoramic views.

290 m² of usable floor space | 3 levels | 5 bedrooms | 3 bathrooms | 2 panoramic terraces | 400 m² landscaped garden | Outdoor pool | 3 parking spaces

The villa's central living area is the spacious, bright living room–dining room–kitchen, which opens directly onto the panoramic terrace through large glass surfaces. The upper level houses the bedrooms and bathrooms, while the main living level also features a separate home office.

A unique feature of the property is the lower level, which can be fully opened up to the garden. The second guest kitchen, the spacious lounge/hobby room, and the fitness room open directly onto the landscaped garden and the pool. This layout is ideal not only for family life but also for hosting elegant social and diplomatic receptions, even for larger groups.

The villa's modern technological solutions—a smart home system, heat pump, and solar panels—ensure a high level of comfort, energy-efficient operation, and low maintenance costs.

The proximity to a nature reserve, the breathtaking panoramic views, and the private setting create a unique atmosphere, while the city remains easily accessible. International schools and preschools, shopping options, and services are located nearby. The property is easily accessible by both car and public transportation.

I am happy to provide further information and arrange a personal viewing of the villa.
