All about the location

In the locality of Villaganzerla di Castegnero, in a very quiet residential area, this multifamily head house enjoys privacy and spaces outside the house very suitable for family serenity.
Nursery and elementary schools and the sports center are within walking or biking distance, as well as supermarket and all the main activities and services for daily life typical of a small independent community.

This municipality much appreciated for its tranquility and the surrounding landscape of the Berici and Euganean hills in the background, now benefits further from the recent extension of the A31 highway, which allows very fast and problem-free access to the city of Vicenza and all major centers of interest and strategic economic logistic points.

The Ederle barracks and the Pluto detachment in Longara are about 20 minutes away, and Del Din is a 25-minute drive away.
