A first impression

The entryway leads directly into the spacious living area, the true heart of the home: an open and airy space where the living room and kitchen flow naturally together, allowing for great flexibility in arranging the furnishings. The kitchen, which is already installed and designed as a corner layout, features clean lines and light colors that blend seamlessly with the home's modern character.

The large windows provide an abundance of natural light and connect the living area to the long balcony—an additional space that runs along much of the living area and allows you to enjoy the outdoors during the warmer months.

The sleeping area, clearly separated from the living spaces, features hardwood floors that lend warmth to the rooms. Three bedrooms offer flexible accommodation for a family's needs, with the option to designate one room as a home office or guest room.

The home features two bathrooms with windows, both renovated with contemporary finishes: one equipped with a bathtub and the other with a shower. In addition, there is a practical separate laundry room, particularly useful for daily household chores.

The apartment is in well-maintained condition, featuring modern windows and doors, air conditioning in some rooms, and a practical layout that enhances both the natural light and the privacy of the sleeping area. The neutral tones of the finishes also make it easy to personalize the interiors to suit your own style.

This property is particularly well-suited for a family or for anyone seeking a spacious, modern, and functional rental home with three bedrooms, two bathrooms, and a generous outdoor area, located in an established residential neighborhood.
