A first impression

In the heart of the Piedmont Alps, in one of the most popular ski resorts in Italy, we offer for sale the prestigious Club Hotel Monte Triplex, located in the renowned hamlet of Sportinia, in Salice d'Ulzio (Sauze d'Oulx), at an altitude of more than 2,000 meters. This property represents a unique opportunity for investors and operators in the tourist-hotel sector, thanks to its strategic location directly on the ski slopes of the famous Via Lattea, one of the largest ski areas in Europe.

The hotel is spread over three above-ground floors, perfectly integrated into the surrounding alpine environment, with a total capacity of 23 rooms, each with a private bathroom. The rooms, furnished in a mountain style with warm and welcoming materials, offer unparalleled views of the surrounding peaks and ski slopes.

Heating is central, ensuring maximum comfort even during the coldest months of the winter season. The entire building is equipped with an air-conditioning system, rare and valuable in high-altitude facilities, which allows for the best temperature management in every season. The common areas are spacious and well distributed and equipped with toilets, ideal for moments of relaxation and socialization of guests.

The hotel's pride and joy is the in-house restaurant, capable of accommodating numerous covers and currently active with a culinary offer that enhances the typical products of the Piedmont region. The bright and panoramic dining room is a perfect space for breakfasts, lunches and dinners overlooking the snow-capped mountains or summer meadows.

The location is simply unparalleled: the hotel can be reached by ski lifts directly from the center of Salice d'Ulzio and is literally surrounded by ski slopes, offering direct access to skiers and winter sports enthusiasts. During the summer season, the area transforms into a paradise for hikers, mountain bikers and nature lovers.

Salice d'Ulzio, part of the Via Lattea ski area, is a historic tourist destination, already famous in the early 1900s and made even more famous for hosting some competitions during the 2006 Turin Winter Olympics. The resort is easily accessible from both Turin and France, thanks to its proximity to the highway and international railway line.

Club Hotel Monte Triplex is more than a hotel: it is a landmark for the ski community and a facility with solid business potential, thanks to its already established name and unique location.

A safe investment in one of Italy's most desirable alpine destinations.
