A first impression

This attractive building plot is located in a quiet, natural setting, nestled in the typical Mediterranean landscape of Gallura. It boasts beautiful sea views, plenty of privacy and a rare combination of unspoiled nature and a short distance from the main towns in the region.

There is already an existing building on the plot. In addition, there is an approved project for the construction of a modern villa with approx. 200 m² of living space and a swimming pool, so that construction can begin without delay.

The planned villa has been designed to blend harmoniously into the surroundings and make the most of the sea views. Spacious terraces, light-flooded rooms and a pool area with panoramic views create an exclusive living concept with a high quality of life.

The room layout and materials can still be individually adapted, allowing the property to be realized entirely according to your own ideas.

The location offers tranquillity and privacy, while Cannigione and Arzachena can be reached in just 10 minutes. Beaches, marinas, restaurants and all important services are therefore in the immediate vicinity.

A rare opportunity to create a bespoke villa with sea views in one of the most beautiful natural locations in Sardinia - with an approved project and maximum flexibility.
