A first impression

Nestled in the tranquility of the picturesque Sicilian countryside near Syracuse, just a 10-minute drive (8 km) from the millennia-old charm of the island of Ortigia, we are offering for sale an exclusive historic estate dating back to 1895. This property of rare value masterfully combines the authentic charm of Sicilian tradition with the comforts of contemporary living, offering an ideal solution for those seeking a prestigious residence or an exclusive retreat.
The property spans a total floor area of approximately 400 square meters, divided between the magnificent main residence and a completely independent guesthouse. The thick stone walls, original to the period, ensure perfect acoustic and thermal insulation, creating an oasis of absolute silence and coolness within the rooms.
The main residence opens onto a monumental living room with exposed beams, characterized by an elegant and timeless atmosphere. This spacious room features a large conversation area enhanced by a fine fireplace, a billiards area, and a private study corner. Moving on, the ground floor features a guest bedroom, a half-bath, and a large eat-in kitchen, which also boasts a second fireplace and a dedicated TV area.
From the main living room, a grand marble staircase leads to the first floor, where the sleeping quarters are located: here you'll find three bedrooms, including the master suite with an en-suite bathroom, an additional full bathroom serving the floor, and functional built-in closets that blend seamlessly into the design.
The 3,700-square-meter fenced garden is a true private botanical garden designed for relaxation and well-being in the open air:
• Scenic Pool: A stunning pool framed by a meticulously manicured English-style lawn and a spacious sun deck.
• Lounge & Bar Area: A fully equipped outdoor space adjacent to the pool, ideal for entertaining guests, hosting sunset cocktail parties, or gala dinners under the stars.
• Native Flora: A portion of the land is dedicated to a traditional orchard and centuries-old olive trees, which fill the air with the authentic scents of Sicily.
