Oceanfront Villa with Pool and Independent Suites in Plemmirio – Syracuse
Nestled in the heart of the prestigious Plemmirio Marine Protected Area, just a short walk from its iconic historic lighthouse, Von Poll is offering for sale a contemporary villa of approximately 490 square meters.
The property is divided into two completely independent and self-contained levels. This unique layout combines an ultra-private, panoramic master penthouse on the first floor with a highly profitable boutique lodging business on the ground floor.
The first floor is dedicated to the main residence, characterized by a sophisticated balance of spaces. The sleeping area features two bedrooms, a custom walk-in closet, and a bathroom. The living area includes a spacious eat-in kitchen, an airy living room, and a versatile space currently used as a private gym and study.
The true jewel of the penthouse is the uninterrupted ocean-facing terrace: the living room, kitchen, and study open directly onto this spectacular outdoor space, offering a breathtaking view where the horizon blends into the deep blue of the Mediterranean.
Perfectly optimized for the charming B&B rental market, the ground floor serves as an independent income-generating unit. It consists of 4 fully self-contained suites, ensuring guests maximum privacy.
The Oceanfront Suites open onto a spacious covered veranda, equipped with a private kitchenette (sink and refrigerator), allowing international guests to enjoy light meals and breakfasts outdoors in complete privacy.
The side Garden Suites offer direct and private access to sections of the garden.
An internal staircase connects the two floors, but the property is already prepared for the installation of a private elevator. The glass elevator door, already installed, serves as a true contemporary design element.
The entire property is surrounded by approximately 2,700 square meters of garden rich in plants typical of the Mediterranean scrub. At the center of the garden is the magnificent swimming pool, complemented by a spacious sun deck equipped to ensure maximum relaxation under the Sicilian sun.
The two floors are connected by an interior staircase, but the property is already prepared for the installation of a private elevator. The glass elevator door, which is already installed, serves as a true piece of contemporary decor.
